18th February 2015 - New book

PARKINSON'S DISEASE (DISEASES AND DISORDERS)

Lizabeth Craig

Publisher's description : This title in Lucent's Diseases and Disorders series focuses on Parkinson's Disease. The book describes how the disease is contracted, its symptoms, and treatments. It also discusses the issues that caregivers face. These books offer readers a means of understanding various ailments; clear, careful explanations offer insight into what these conditions are, what causes them, how we cope with them, and the latest information about treatment and prevention. All volumes in the series include primary and secondary quotations, annotated bibliographies, detailed indexes, and lists of organizations to contact for additional information
